ANNUAL REPORT

SECOND CHANCE SCHOLARSHIPS FOR
WOMEN AROUND THE WORLD

LETTER FROM OUR OUTGOING PRESIDENT

– DIAN
TRABULSY

March 8th, 2023

Dear valued supporters of Asherah Foundation,

It has been an honor and privilege to serve as the President of Asherah Foundation over the past year and it is time for me to step down and pass the baton to the next leader. I am proud of the many accomplishments that we have achieved together during this time.

Asherah Foundation has been working tirelessly to provide education and opportunities to women who have been marginalized and underprivileged. We have been able to make a significant impact in the lives of many women, empowering them with knowledge, skills, and resources to succeed in their personal and professional lives.

Through our programs and initiatives, we have helped women break the barriers that have been holding them back, and we have opened doors to new opportunities for them.

None of this would have been possible without the unwavering support of our dedicated volunteers, generous donors, and hardworking staff. You all have been the driving force behind our success, and I am grateful for your commitment to our cause. It has been inspiring to witness the passion and dedication of our volunteers and donors who have given so generously of their time and resources to support our work.

While I am sad to be leaving this wonderful organization, I am confident that it will continue to thrive and make an even greater impact in the years to come. Our mission to empower women through education is more important now than ever before, and I know that our organization will continue to be a beacon of hope for women everywhere.

I want to thank you all for your support and dedication to our cause. It has been an honor to work with such an amazing group of people, and I will always cherish the memories that we have created together.

With warm regards and deepest appreciation,

Dian Trabulsy
